Section I - Introduction to Summary of Benefits

Thank you for your interest in HumanaChoice H6609-011 (PPO). Our plan is offered by HUMANA INSURANCE COMPANY, a Medicare Advantage Preferred Provider Organization (PPO). This Summary of Benefits tells you some features of our plan. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of our benefits, please call HumanaChoice H6609-011 (PPO) and ask for the "Evidence of Coverage".

You Have Choices In Your Health Care

As a Medicare beneficiary, you can choose from different Medicare options. One option is the Original (fee-for-service) Medicare Plan. Another option is a Medicare health plan, like HumanaChoice H6609-011 (PPO). You may have other options too. You make the choice. No matter what you decide, you are still in the Medicare Program.

You may be able to join or leave a plan only at certain times. Please call HumanaChoice H6609-011 (PPO) at the number listed at the end of this introduction or 1-800-MEDICARE (1-800-633-4227) for more information. TTY/TDD users should call 1-877-486-2048. You can call this number 24 hours a day, 7 days a week.

Where Can I Get My Prescriptions If I Join This Plan?

HumanaChoice H6609-011 (PPO) has formed a network of pharmacies. You must use a network pharmacy to receive plan benefits. We may not pay for your prescriptions if you use an out-of-network pharmacy, except in certain cases.

The pharmacies in our network can change at any time. You can ask for a pharmacy directory or visit us at http://www.humana.com/Medicare/medicare_prescription_drugs. Our customer service number is listed at the end of this introduction.

HumanaChoice H6609-011 (PPO) has a list of preferred pharmacies. At these pharmacies, you may get your drugs at a lower copayment or coinsurance. You may go to a non-preferred pharmacy, but you may have to pay more for your prescription drugs.

Does My Plan Cover Medicare Part B Or Part D Drugs?

HumanaChoice H6609-011 (PPO) does cover both Medicare Part B prescription drugs and Medicare Part D prescription drugs.

What Is A Prescription Drug Formulary?

HumanaChoice H6609-011 (PPO) uses a formulary. A formulary is a list of drugs covered by your plan to meet patient needs. We may periodically add, remove, or make changes to coverage limitations on certain drugs or change how much you pay for a drug. If we make any formulary change that limits our members' ability to fill their prescriptions, we will notify the affected enrollees before the change is made. We will send a formulary to you and you can see our complete formulary on our Web site at http://www.humana.com/members/tools/prescription_tools/medicare_drug_list.asp.

If you are currently taking a drug that is not on our formulary or subject to additional requirements or limits, you may be able to get a temporary supply of the drug. You can contact us to request an exception or switch to an alternative drug listed on our formulary with your physician's help. Call us to see if you can get a temporary supply of the drug or for more details about our drug transition policy.

What Are My Protections In This Plan?

All Medicare Advantage Plans agree to stay in the program for a full calendar year at a time. Plan benefits and cost-sharing may change from calendar year to calendar year. Each year, plans can decide whether to continue to participate with Medicare Advantage. A plan may continue in their entire service area (geographic area where the plan accepts members) or choose to continue only in certain areas. Also, Medicare may decide to end a contract with a plan. Even if your Medicare Advantage Plan leaves the program, you will not lose Medicare coverage. If a plan decides not to continue for an additional calendar year, it must send you a letter at least 90 days before your coverage will end. The letter will explain your options for Medicare coverage in your area.

As a member of HumanaChoice H6609-011 (PPO), you have the right to request an organization determination, which includes the right to file an appeal if we deny coverage for an item or service, and the right to file a grievance. You have the right to request an organization determination if you want us to provide or pay for an item or service that you believe should be covered. health at risk, or affect your ability to regain maximum function. If your doctor makes or supports the expedited request, we must expedite our decision. Finally, you have the right to file a grievance with us if you have any type of problem with us or one of our network providers that does not involve coverage for an item or service. If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state. Please refer to the Evidence of Coverage (EOC) for the QIO contact information.

However, some people will pay a higher premium because of their yearly income (over \$85,000 for singles, \$170,000 for married couples). For more information about Part B premiums based on income, call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. Some physicians, providers and suppliers that are out of a plan's network (i.e., out-of-network) accept "assignment" from Medicare and will only charge up to a Medicare-approved amount. If you choose to see an out-of-network physician who does NOT accept Medicare "assignment," your coinsurance can be based on the Medicare-approved amount plus an additional amount up to a higher Medicare "limiting charge." If you are a member of a plan that charges a copayment for out-of-network physician services, the higher Medicare "limiting charge" does not apply. See the publications Medicare & You or Your Medicare Benefits available on www.medicare.gov for a full listing of benefits under Original Medicare, as well as for explanations of the rules related to "assignment" and "limiting charges" that apply by benefit type. To find out if physicians and DME suppliers accept assignment or participate in Medicare, visit www.medicare.gov/physician or www.medicare.gov/supplier. SECTION III - ABOUT YOUR PLAN

HumanaChoice H6609-011 (PPO)

This section further explains some of the benefits of your plan. To get a complete list of benefits, limitations, and exclusions, call HumanaChoice H6609-011 (PPO) and ask for the "**Evidence of Coverage.**"

HOW TO USE YOUR PLAN

① Premium and Other Important Information

Maximum out-of-pocket limit

While most expenses apply to the maximum[s], the following don't:

- Your monthly plan premium
- Your Optional Supplemental Benefit monthly premium(s) and services
- Outpatient Part D prescription drugs
- Routine vision services
- Over-the-counter drugs and supplies

② Doctor and Hospital Choice

Choosing a doctor

As a HumanaChoice H6609-011 (PPO) member, it's a good idea to select a doctor to act as your primary care physician (PCP). Although you don't have to have a PCP, it's important to have someone focus on your total healthcare. A PCP can provide much of your care. He or she can help ensure you get preventive care, provide timely access to services and coordinate with other doctors if needed. This helps you improve and manage your health.

If you see any **out-of-network** doctors, please make sure they accept Medicare patients; otherwise, **you may have to pay more** for their services. Any doctors who refuse to accept HumanaChoice (PPO) because they're not familiar with the plan can call our provider line, 1-800-457-4708, or visit **Humana-Medicare.com** for more information.

U.S. Travel Benefit

You have access to providers in the HumanaChoice (PPO) network in all of our service areas. If you need non-emergency care while traveling outside the plan's service area, call Customer Service. We'll tell you whether you're in one of our other HumanaChoice (PPO) service areas and help you find an in-network provider.

Authorization Requirements

Your provider will need an authorization from HumanaChoice H6609-011 (PPO) before you receive certain services, except in an emergency or when care is urgently needed. The authorization process helps members receive appropriate and necessary Medicare-covered care and treatment. Providers in our network are aware of this process and will request the authorization. Without the authorization, your plan might not cover the services and you may have to pay the full cost.

INPATIENT CARE

③ Inpatient Hospital Care

④ Inpatient Mental Health Care

⑤ Skilled Nursing Facility (SNF)

Benefit periods don't apply to inpatient hospital care and inpatient mental health care. You pay the amounts shown in Section II each time you're admitted to a hospital, no matter how many days have passed since your last admission. If transferred to another inpatient facility - for example, to a long-term acute care center from an inpatient acute hospital - the day range will begin at one.

When admitted to a skilled nursing facility, you're covered for skilled care as defined by Original Medicare guidelines. No prior hospital stay is required. Your plan doesn't cover custodial care. HumanaChoice H6609-011 (PPO) follows Original Medicare guidelines in determining authorization for skilled nursing facility services.

OUTPATIENT CARE

You can receive outpatient services at different types of facilities. Usually, you pay only one copayment or coinsurance for each visit to an office or facility, no matter how many services you receive during the visit or the actual cost of those services. But if, for example, you receive care in your doctor's office and are then sent to another facility for additional services, you may have to pay an additional copayment or coinsurance.

HUMANA[®]

My Options, My Choice

Adding Benefits to Your Plan

You're unique and have unique needs for staying healthy. That's why Humana offers optional supplemental benefits (OSB). For an additional premium, each of these extra benefit choices let you customize your Humana Medicare Advantage plan.

These benefits make it easier for you to get more coverage when you need it. They can also help you control your costs.

You can add these extra benefits when you sign up for your Medicare Advantage plan or any time during the year.

You have many choices. The information in this booklet will tell you about the benefits you can add to your plan. If you have questions, you can call **1-888-866-3154** (TTY: **711**), seven days a week, 8 a.m. to 8 p.m.

MyOption Vision

The MyOption Vision benefit makes it easy to plan for your vision care. There's no deductible and no copayment for one routine eye exam each year, if you wear glasses. You also get **\$290** each year to use for frames, lenses, and lens options or contact lenses.

There's no waiting period before your coverage begins. The premium for this OSB is **\$15.00**. Here's how the benefit works:

COVERED VISION BENEFITS	EyeMed Network Vision Provider*	Non-EyeMed Network Vision Provider**
Routine exam for members who wear eye glasses with refraction/dilation as necessary	\$0 copayment	All costs over plan approved amount
Frame, lens, and lens options	\$290 benefit (combined in and out-of-network)	\$290 reimbursement (combined in and out-of-network)
Contact lenses (in lieu of frames; includes materials only for conventional and disposable)	\$290 benefit (combined in and out-of-network)	\$290 reimbursement (combined in and out-of-network)

OPTIONAL SUPPLEMENTAL BENEFITS (continued)

COVERED VISION BENEFITS	EyeMed Network Vision Provider*	Non-EyeMed Network Vision Provider**
Frequency:		
Frame & lenses or Contact lenses	Once every 12 months	

Covered vision services are subject to conditions, limitations, exclusions, and maximums. Please see your Evidence of Coverage for details.

*Network providers have agreed to provide services at contracted fees. If you visit a provider in the network, you won't receive a bill for more than your share of the fee schedule. You may still be charged a copayment.

**Non-network providers haven't agreed to provide services at contracted fees. If you see an out-of-network provider, your costs may be higher. You may need to pay more because out-of-network providers generally charge higher fees than network providers.

Complementary and Alternative Medicine

Complementary and alternative medicine (CAM) services include chiropractic care, acupuncture, and massage. As a Humana member, you can get these services at a discount through the **Healthways WholeHealth Network** (HWHN) of more than 35,000 practitioners.

Services include:

- **Acupuncture** - A trained professional inserts and rotates very thin needles at key points on the body to stimulate various organs and systems.
- **Massage** - Using scientific manual techniques, a massage therapist manipulates soft tissues of the body to normalize those tissues.
- **Chiropractic** - A chiropractor diagnoses spinal misalignments and corrects them by using hands to adjust the spine, joints, and muscles.

How the discount works

You don't need a referral to visit a practitioner in the HWHN network. You may see HWHN providers as often as you like — but we encourage you to tell your primary care physician about any treatment you're considering. If you're already seeing a CAM professional who isn't on the HWHN list, you can nominate that individual online for network consideration.

To get your discount, simply show the provider the discount card, which can be printed from **Humana.com**, or show your Humana ID card.

Contact information

For details about the program, access the CAM Website from **Humana.com**. Once you log in to *MyHumana*, go to:

- Health & Wellness
- Savings Center, then select "Alternative Medicine"
